

BRIDGEWOODS FIELD ARCHERY CLUB

NFAS 2ND WOODEN ARROW SHOOT

25TH FEBRUARY 2018

“IF YOU BUILD IT, THEY WILL COME.”

And so they did all 50+ of them, out of the early bitterly cold wind they came from afar, wrapped up in coats, hoods, masks and hand warmers, to take on the challenge that Bridgewoods had to offer. Two challenging courses that, in previous days, had been like the Somme battlefield, in texture, but due to the biting wind and cold it was now hardened, making standing still easier than trying to shoot on the slide. After the first twenty targets had been shot we overheard the discussions “Not sure I have enough arrows for this” or was it “How far was that?” As always, the catering team worked hard to get people fed and watered and, once warmed, out they went again for the second course. Little happy faces with bright red (wind burned) cheeks. They finally arrived back at the tea hut, after completing their second adventure, the cards were handed in, raffle tickets bought, tea and cakes served whilst waiting for the results and MEDALS!!!!

A big thank you to the team at Bridgewoods, shoot marshals, catering team, field officer and a very special BIG thank you to John Dickinson, for his hard work and long service to the club, this was his last commitment as treasurer and shoot organizer.

Another big thank you to everyone who attended, if you were a returnee, I hope it felt better than last time, if it was your first time, you now know what you have been missing!!!! We look forward to welcoming you again at our next shoot.
